

# Privacy Policy for LEXURE Card

---

At PARIS, we take your privacy very seriously. This privacy policy outlines the ways in which we collect, use, and protect your personal information through the use of our LEXURE card.

## Collecting Personal Information

We collect personal information such as your name, email address, phone number, and any other information you choose to share with us through the use of LEXURE card.

## Using Personal Information

We use your personal information to create the LEXURE card, and to provide you with the services associated with it. This may include sharing your information with third-party suppliers who provide printing and shipping services.

## Protecting Personal Information

We take great care to protect your personal information from unauthorized access, disclosure, and unauthorized alteration. We use the latest encryption technology to safeguard and store your information.

## Sharing Personal Information

We will not sell, rent, or lease your personal information to any third-party except as necessary to provide you with our LEXURE card services. We may also share your personal information if we are required to do so by law or if we believe that it is necessary to protect our rights, property, or to prevent a crime.

## Cookies

We use cookies to store website preferences and to track website usage. You can choose to disable cookies in your web browser settings if you do not want us to use them.

## Changes to Privacy Policy

We reserve the right to change this privacy policy at any time in response to changing legal, data security, and business environment. If we make any changes to this policy, we will notify you by email or by posting an updated version of the policy on our website.

## Contacting Us

If you have any questions or concerns about our privacy policy or the use of your personal information, please contact us through our website.
